

Sun. Surf. Sport. Study.

At Sunshine Coast Institute of TAFE

Want to study in a world class location?

“Being an international student at SCIT is an amazing experience and I have to say, that this is one of the best choices I’ve ever made in my life. There is no training like the Sport and Recreation course at SCIT in the whole world. It’s not only the course that is miraculous – it’s also the caring and loving teachers that make up the course. With an impressive curriculum, they deliver hands-on experience and practical knowledge that is perfectly suited to the fitness industry.”

“As an international student I now feel fully confident to apply for work all over the world and the business focus of the course has given me the confidence to develop my own personal training business. My time spent at SCIT has played a big part in my self development and the knowledge from this course is taking me to places I could have never imagined possible.”

“I highly recommend the Diploma of Sport and Recreation course and SCIT for anyone who wants to become a well educated fitness professional.”
